

# BC-ATP

MITOCHONDRIAL AND  
DETOX SUPPORT\*

## KEY BENEFITS

- Aids mental clarity and performance\*
- Supports sustained energy levels\*
- Assists natural detox processes and the gut microbiome\*

## PRODUCT DESCRIPTION

Mitochondria provide the human body with the energy it needs for basic functions to sustain life, and is an essential area to address in any protocol. BC-ATP is formulated to support mitochondrial function throughout the body.\*

Powerful and effective, this product aids cellular renewal to help protect the cells from everyday stressors.\* This, in turn, benefits the body's natural ability to drain and detoxify. It also supports cognitive function, mental clarity and focus, and physical performance.\*

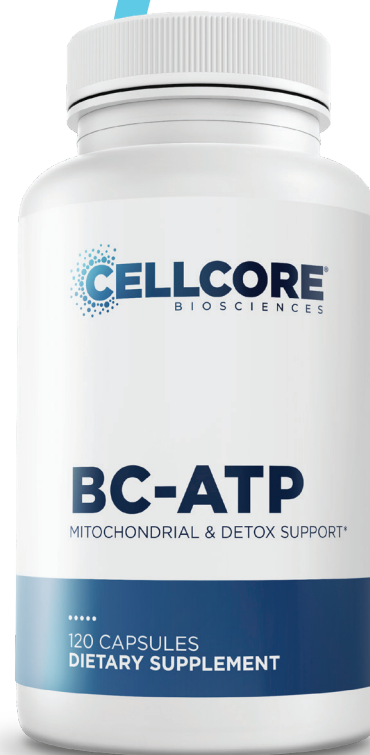

## LABEL INFORMATION

**Directions:** Take 2 capsules twice daily or as otherwise directed by a healthcare practitioner. Can be taken with or without food.

**CAUTION:** Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. Store in a cool, dry place.

**KEEP OUT OF REACH OF CHILDREN.**

**\*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

The proprietary BioActive Carbon® Technology within this product supports the body's electrolytes by recharging depleted mineral concentrations.\* This helps optimize the ATP cycle for higher ATP output, leading to stable energy production.\* The carbon-based polyelectrolytes also support a balanced gut microbiome and aid the body's natural immune mechanisms for overall wellness.\*
