

BioFizz™ Immune

Bioflavonoid + Antioxidant Support*

IMMUNE HEALTH*

BioFizz™ Immune is a convenient way to fortify your immune system.* It is a tasty, orange-flavored effervescent powder packed with essential nutrients like vitamins C, D, and E and zinc, along with flavonoid-rich plant compounds to help strengthen your body's responses to immune challenges.*

With zero sugar, this powder is sweetened with monk fruit extract for minimal impact on blood sugar.*

Benefits*

- Promotes immune balance
- Supports healthy response to inflammation
- Supports the body's natural response to respiratory and immune challenges

Recommended Use

Take 4 grams (approx. one scoop) per day or as directed by your health-care practitioner.

Ingredient Highlights

- **Vitamin C** is an antioxidant that supports white blood cell function, which are the cells help maintain healthy immune balance.*
- **Vitamin D** is critical for regulating both branches of your immune system. It helps your body produce special proteins that line the respiratory tract and keep you in good shape.*
- **Vitamin E** provides extra antioxidant support.*
- **Quercetin and resveratrol** are powerful plant compounds found in fruits and vegetables that promote wellness by supporting antioxidant status and a healthy response to inflammation.*
- **Zinc** is essential for your immune system to work at its best.*
- **Geranylgeraniol (GG)** is a molecule that plays a pivotal role in cellular health, protein synthesis, and antioxidant status.*
