

GCO

PROMOTES HEALTHY
GLUCOSE LEVELS*

KEY BENEFITS

- Supports blood sugar balance*
- Encourages effective lipid metabolism*
- Supports cardiovascular, cognitive, and digestive function*
- Promotes healthy cellular function*

PRODUCT DESCRIPTION

Formulated with a proprietary blend of nutrients and herbs - including Berberine HCL, cassia bark, and astaxanthin, GCO supports healthy glucose levels, metabolism, cardiovascular health, and digestive function.*

BioActive Carbon® Technology protects the herbs from damage and drives the nutrients to cells quickly.*

LABEL INFORMATION

Directions: Take 1 capsule twice daily, or as otherwise directed by a healthcare practitioner. Can be taken with or without food.

CAUTION: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. Store in a cool, dry place.

KEEP OUT OF REACH OF CHILDREN.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

During years of product development, these ingredients were precisely formulated in the needed proportions. Deviation from suggested dosing is not recommended.

Upon introducing GCO, allow about 3-4 weeks for the body to adjust to the product and experience optimal benefits.
