Ginger-Tussin™ Organic Syrup

*Throat soothing herbal syrup**

IMMUNE HEALTH*

GLUTEN FREE FORMULA · DAIRY FREE FORMULA · SOY FREE FORMULA · VEGAN FORMULA · NON GMO INGREDIENTS · CERTIFIED ORGANIC

Ginger-Tussin™ Organic Syrup is a pleasant-tasting, herbal syrup elixir that supports immune function and occasional cough.* It is formulated with organic ginger, which contains compounds that promote a healthy inflammatory response.* Organic lovage and organic wild cherry are included to support immune function and antioxidant status.* The base of this syrup is certified organic vegetable glycerin and certified organic honey.*

Ginger promotes a healthy inflammatory response and supports antioxidant status in the body, which helps promote a normal immune response.* The plant compounds in ginger along with organic honey may support the occasional cough.*

Lovage contains naturally occurring plant compounds that may support antioxidant status and immune function.* Wild cherry bark contains plant compounds, including polyphenols, carotenoids, anthocyanins, and terpenes, that support antioxidant status in the body.* Together, these ingredients work synergistically to help soothe the throat and support occasional cough during times of immune challenge.*

Benefits*

- Supports a healthy immune response
- Supports occasional cough
- Supports soothing of the throat
- Promotes a healthy inflammatory response

Highlights

- A blend of organic ginger, lovage, and wild cherry extract to promote a healthy immune and inflammatory response, while supporting the occasional cough*
- Sweetened naturally with certified organic honey and vegetable glycerine; less than 1 gram of sugar per serving

Recommended Use

Take 2.5 mL (approximately ½ teaspoon) per day or as directed by your health-care practitioner.
