## IMMUNE SYSTEM SUPPORT

### KEY BENEFITS

- Promotes normal immune system function and inflammatory balance
- Provides antioxidants to help maintain tissue, cellular, and liver health
- Absorbs readily due to the tincture format and enables easy dosage adjustments

### PRODUCT DESCRIPTION

IS-BART is an herbal tincture designed to support immune system function and general well-being.

This product contains a synergistic blend of seven herbs in organic cane alcohol. That extracts beneficial compounds from the herbs, helping maximize their potency.

The herbs in IS-BART include *Artemisia annua* (sweet wormwood), black walnut hull, boneset,

cilantro, milk thistle, oregano, and suma root. These have been carefully selected and formulated to support the body's normal immune system activity, including for vector-based concerns.

The herbs in IS-BART may also help maintain tissue and liver health via antioxidant support. Suma root is an adaptogen to promote the body's natural homeostasis.
