

IS-BORR

IMMUNE SYSTEM SUPPORT*

KEY BENEFITS

- Assists normal immune cell activity and function for broad-spectrum support*
- Supports healthy inflammatory balance, a factor in maintaining normal comfort levels*
- Provides antioxidants to help protect the body from routine oxidative stress*

PRODUCT DESCRIPTION

IS-BORR is a tincture of 24 potent herbs. This synergistic blend helps nurture the immune system and support inflammatory balance.*

Among the herbs in IS-BORR are ones that support the body's natural response to immune system concerns, including vector-based factors.* Some of these herbs include *Artemisia annua* (sweet wormwood), black walnut hull, and Japanese knotweed root.

LABEL INFORMATION

Directions: Shake well before use, settling may occur. Dilute 82 drops (approx. 2 mL) in about 8 oz. of water twice daily or as otherwise directed by a healthcare practitioner. Can be taken with or without food.

CAUTION: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. Store in a cool, dry place.

KEEP OUT OF REACH OF CHILDREN.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

In addition, the tincture includes astragalus root, buckthorn bark, and other herbs that supply antioxidants. Those offer support as the immune system generates oxidative stress during its normal activity.*

The herbs in IS-BORR may also encourage inflammatory balance, which helps support normal comfort levels, such as in the joints.*
