

# KL Support

DRAINAGE & IMMUNE SUPPORT\*

## KEY BENEFITS

- Facilitates the normal removal of toxin-laden materials via the liver and kidneys\*
- Promotes healthy bile flow to encourage the release and elimination of toxins\*
- Supports the body's natural antioxidant protection of the liver and kidneys\*

## PRODUCT DESCRIPTION

KL-Support promotes the natural ability to filter, detoxify, and drain unwanted elements from the body.\*

Normal drainage aids smooth progress through the detoxification protocol. A clogged liver not only reduces bile secretion, but also interferes with kidney drainage which can lead to unwanted detoxification symptoms.

KL-Support contains N-acetyl cysteine (NAC), an

## LABEL INFORMATION
