ME Support

MENTAL AND EMOTIONAL SUPPORT*

KEY BENEFITS

- Interacts with the limbic system to support emotional processing and stress relief*
- Promotes emotional balance and calmness*
- Helps patients move through stressors that previously had them stuck and stagnant*

PRODUCT DESCRIPTION

The only liquid tincture of its kind, ME Support combines traditional herbal remedies (including chamomile flowers and lavender buds) with BioActive Carbon® Technology to nurture the limbic system – the brain's central hub for processing emotions and stress.*

Targeting the limbic system helps patients move from being stuck in a trauma response or stressful emotional state to a calm and clear state, which leads to improved health in every aspect.*

The herbal ingredients in ME Support have been chosen for their proven abilities to encourage relaxation, calmness, clarity, and improved sleep.* As a result, patients can optimize their emotional resilience and equilibrium, making it easier to navigate the complex emotional challenges and stressors of the modern world with less intensity.*
