

Para 4

IMMUNE & DIGESTIVE SUPPORT

KEY BENEFITS

- Combats bacteria, parasites, fungi, and other pathogenic microorganisms*
- Strengthens immune system by helping increase red blood cell production and supporting a healthy gut*

PRODUCT DESCRIPTION

Para 4 is carefully formulated with antimicrobial properties designed to help target a wide variety of microorganisms by reducing bacterial, fungal, and viral loads.*

Fatigue, plus joint and muscle pain, can be associated with Lyme Disease and its coinfections. By lessening the pathogenic load, the immune system can function properly and regain balance for overall health.

LABEL INFORMATION

Directions: Take 2 capsules twice daily, or as otherwise directed by a healthcare practitioner. Can be taken with or without food.

CAUTION: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. Store in a cool, dry place.

KEEP OUT OF REACH OF CHILDREN.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

Using a proprietary blend of herbs — including extracts of noni root and stem, holy basil, and horsetail — combined with BioActive Carbon® Technology, this product also benefits those with sensitivities to other pathogen-killing supplements.*

This product can be used concurrently with CellCore IS-BAB, IS-BART, IS-BOOST, IS-BORR, and Para 1.
