

ViRadChem Binder

IMMUNE & DIGESTIVE SUPPORT*

KEY BENEFITS

- Helps the body's natural ability to detoxify environmental and microbial contaminants*
- Assists the body's free radical scavenging systems*
- Supports a healthy immune response*

PRODUCT DESCRIPTION

ViRadChem Binder is expertly designed to support the body's normal removal of environmental and microbial contaminants.*

At the heart of the binder are humic and fulvic acid extracts. These BioActive Carbon® molecules are formulated at a nanoparticle level. Their microscopic size enables them to travel deep within the body and bind unwanted environmental and biological factors.*

LABEL INFORMATION

Directions: Start by taking 1 capsule twice daily and work up to 2 capsules twice daily, or as otherwise directed by a healthcare practitioner. Can be taken with or without food.

CAUTION: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. This product contains natural compounds that can potentially have a characteristic smell and taste. Store in a cool, dry place.

KEEP OUT OF REACH OF CHILDREN.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

In addition, BioActive Carbon® Technology can provide cellular building blocks where they're needed in the body. Supporting cell health is foundational for a detoxification protocol.*

ViRadChem also supports microbiome health and helps maintain normal immune function.* Consider the product as a tool for health maintenance as well as detoxification.*
