

GlyNActive™

ENDOGENOUS GLUTATHIONE PRODUCTION SUPPORT*

KEY BENEFITS

- Optimizes endogenous glutathione production for cellular detoxification.*
- Enhances antioxidant defenses to reduce oxidative stress.*
- Supports mitochondrial health for sustained energy and resilience.*

PRODUCT DESCRIPTION

GlyNActive is a revolutionary glutathione-boosting formula that supports endogenous antioxidant production, cellular detoxification, and mitochondrial health.*

It delivers clinical doses of N-Acetylcysteine (NAC, 2g) and Glycine (2g), the key precursors for glutathione synthesis, along with Selenium to enhance glutathione peroxidase activity.* Taurine and Milk Thistle Extract

LABEL INFORMATION

Directions: Add 1 stick pack to 8 fl. oz. of water once daily, or as otherwise directed by a healthcare practitioner. Can be taken with or without food.

CAUTION: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. Store in a cool, dry place.

KEEP OUT OF REACH OF CHILDREN.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

protect against oxidative stress and support liver detoxification.* Unlike conventional glutathione supplements, GlyNActive enhances the body's natural production, ensuring long-term resilience against oxidative stress and toxin exposure.*

GlyNActive also features BioActive Carbon® Technology, which binds and removes heavy metals, pesticides, and environmental toxins.*
