

MitoActive™

MITOCHONDRIAL BIOGENESIS SUPPORT*

KEY BENEFITS

- Stimulates mitochondrial biogenesis for sustainable energy*
- Restores cellular function with targeted detoxification*
- Reduces oxidative stress to enhance resilience and vitality*

PRODUCT DESCRIPTION

MitoActive is an advanced mitochondrial support formula designed to enhance cellular energy, detoxification, and systemic resilience.*

It combines Coenzyme Q10 (100 mg) and Pyrroloquinoline Quinone (PQQ, 20 mg) to stimulate mitochondrial biogenesis, optimize ATP production, and reduce oxidative stress.* Unlike stimulant-based energy solutions, MitoActive

restores mitochondrial function at the root level, helping combat fatigue, brain fog, and toxin-induced stress for sustained, long-term vitality.*

MitoActive also features BioActive Carbon® Technology, which supports detoxification by binding and removing environmental toxins while enhancing nutrient delivery to cells.*

LABEL INFORMATION

Directions: Take 1 capsule daily, or as otherwise directed by a healthcare practitioner. Can be taken with or without food.

CAUTION: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. Store in a cool, dry place.

KEEP OUT OF REACH OF CHILDREN.
