

EssentiaGreens™ and Reds Chocolate

Daily Superfood Blend

 ESSCHC | 8.5 oz (240 g) powder

Supporting your overall health has never been easier, or tastier.* EssentiaGreens™ and Reds Chocolate is a daily superfood blend of greens, vegetables, fruits, and fibers designed to promote nutrient status.* Superfoods are nutrient-rich foods densely packed with vitamins, minerals, and phytonutrients. Each scoop of EssentiaGreens™ and Reds Chocolate promotes antioxidant status, healthy immune and inflammatory responses, sustained energy production, mental clarity, and metabolic and digestive health.*

Not only does this daily superfood blend mix easily into beverages, but it also has a chocolate flavor that adds a nice taste to your beverage of choice. The ingredients in this formula have been carefully cultivated, harvested at their peak potency, and protected from environmental stressors to maintain optimal preservation of the beneficial plant ingredients.* It contains zero grams of added sugar and is made without fillers, bulking agents, grains, legumes, alfalfa, gluten, or artificial sweeteners.

FOUNDATIONAL HEALTH*

JUST THE FACTS:

Compare supplement facts to the leading brands

- **Proprietary fruit and fiber blend** — Features organic blueberry, cranberry, raspberry, and acai to promote antioxidant status, digestive health, and healthy immune and inflammatory responses.*
- **Organic inulin** — Prebiotic fiber, which may support digestive health and gut barrier function by promoting the growth of beneficial bacteria in the gut.*
- **Proprietary vegetables and greens blend** — Low oxalate**; provides nitrate, which may promote nitric oxide formation and support healthy blood circulation; includes organic carrot, kale, tomato, parsley, spirulina, and nettle, and broccoli, cauliflower, and kale sprouts to support nutrient and antioxidant status, cellular energy production, metabolic health, healthy body composition, mental clarity and brain health, and healthy immune and inflammatory responses.*
- **OxyPhyte® grape blend** — Contains a unique grape seed and skin extract with a high ORAC score to help support antioxidant status, healthy cellular metabolism, aging, and recovery.* ORAC (oxygen radical absorbance capacity) is a measure of antioxidant activity, or a food's ability to neutralize harmful molecules in the body.
- **Cocoa powder** — Rich in nutrients like magnesium, iron, fiber, and flavonoids supporting brain and heart health and a healthy antioxidant status.*

** Less than 45 mg per serving on average. Those following a low oxalate diet should evaluate their individual needs.
